Dear Maranatha Wijayaningtyas,

Thank you very much for submitting your manuscript to HRPUB.

In order to expedite the publication process, your manuscript entitled "Optimization Polymer Aggregate with Sand and Asphalt Mix for Road Potholes Repair" has been sent out to evaluate.

But some problems need to be addressed.

We would be grateful to you if you could revise your manuscript according to the following comments:

1. Tables in the main body of the text should be numbered and cited consecutively according to their appearance in the text.

2. Please provide all of the figures in jpg/png format.

3. Do not create equations as pictures. Use MathType or insert symbols as normal text.

4. The format of the list of REFERENCES is not in accordance with the journal's rules. Please check all references for completeness and accuracy, including author names, paper title, journal heading, Volume, Number., pages for journal citations, Year, DOI (or URL if possible). (Please note that the DOI should be placed after the URL and end with a period.)

Revision after Peer Review (ID:14826232)-Optimization Polymer Aggregate with Sand and Asphalt Mix for Road Potholes Repair

Anthony Robinson <revision.hrpub@gmail.com>
Kepada: Maranatha Wijaya <maranatha@lecturer.itn.ac.id>

11 Februari 2022 pukul 16.25

Dear Maranatha Wijayaningtyas,

Thank you for your interest in publishing your work in HRPUB.

Your manuscript has now been peer reviewed and the comments are accessible in Word format. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submission/login.php>).

We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter. Any revision should be made on the attached manuscript.

In addition to necessary revisions, please note that the similarity index of the revised version should be lower than 18% and similarity from a single source should not exceed 5%.

Please download the publication agreement (http://www.hrpub.org/download/HRPUB_Publication_Agreement2022.pdf) and fill in the authors' names, manuscript title, manuscript ID and signature, then send a scanned version to us.

Please submit the revised paper to us by email in MS Word or LaTeX format within two weeks and do not submit it into the Online Manuscript Tracking System.

The author will be requested to pay the Article Processing Charges after the manuscript is accepted for publication. For the charging standard, please refer to http://www.hrpub.org/journals/jour_charge.php?id=48

Look forward to receiving your revised manuscript as soon as possible.

Dear Anthony Robinson,

Thank you for your fast response regarding the peer review results of our article.

However, due to the pandemic Covid-19 situation in our Regency, would you give us an extended period to submit the revised article with ID: 14826232?

Besides this article (ID: 14826232), we also have been sent another article with the Title: The Correlation of Construction Workers Subjective And Objective Fatigue Measurement on High Building Project. May we get information regarding the progress of the peer-reviewed article?

Thank you for your cooperation.

Best regards,
Maranatha Wijayaningtyas
