Vijayalaxmi Beeravalli 1 year ago

What is the impact factor of this journal and how long does it take to publish the paper.

reply

suggest you consult the Journal Citation Report for other indicators (like Impact Factor) with a Web of Science data source. For further information about this journal, please visit the journal's website or contact the editorial staff.
Best Regards, SCImago Team

Is this Journal still Scopus indexed?

reply

Melanie Ortiz 3 years ago

SCImago Team

Dear Aatif, thank you very much for your comment, unfortunately we cannot help you with your request. We suggest you to consult the Scopus database directly. Keep in mind that the SJR is a static image (the update is made one time per year) of a database (Scopus) which is changing every day.
Best Regards, SCImago Team

The users of Scimago Journal & Country Rank have the possibility to dialogue through comments linked to a specific journal. The purpose is to have a forum in which general doubts about the processes of publication in the journal, experiences and other issues derived from the publication of papers are resolved. For topics on particular articles, maintain the dialogue through the usual channels with your editor.
