Dear Conf. Committee

Several days ago, I sent an email asking about the status of my paper (paper ID 15196 entitled Implementation of Face Detection and Tracking on A Low Cost Embedded System Using Fusion Technique), but there is no reply.

Now I could not login to the ICCSE 2016 conference submission system (<http://www.yeedao.net/en/login>).

I become worry with my paper submission to this conference.

Kindly advice me what should I do.

Thank you.

Best regards
