### The review result for your paper

Paper Number: 0082  
Paper Title: A Modified Step Size Perturb and Observe Maximum Power Point Tracking for PV System  
Mode of presentation: Oral

Dear Dr. Aryuanto Soetedjo,

Congratulations! After gone through a blind review by two referees, your paper has been accepted for including in the proceedings of International Conference on Engineering, Science, and Industrial Applications (ICESI) 2019. To ensure your paper to be perfectly published in the proceedings in the format you preferred, you can freely submit your revised version through the website by click on the button [Submit Revised Version] until the deadline of uploading the final version (the deadline is shown on the conference website).

Because the system staff will directly use the file (submitted by you) to produce the proceedings, please read the submission guideline before submitting your final version. Besides, to protect our Earth, all accepted contributions will be published in the electronic proceedings instead of printed proceedings. Therefore, you will not bring a heavy proceeding back to your country after the conference. The conference venue is at Tokyo University of Science, Tokyo, Japan. Finally, thanks for your interest in and support to the conference. We look forward to seeing you in Japan soon.

Yours sincerely,

Secretariat of ICESI 2019

## Thank you very much for your submission

Dear Aryuanto Soetedjo,

This is to acknowledge the receipt of your submission to **International Conference on Engineering, Science, and Industrial Applications (ICESI) 2019**. Your paper number and the detailed information are shown in the following table.

Paper No.	Presentation type	Topic	Paper title	Corresponding Author	Presenter
0082	Oral	Engineering	A Modified Step Size Perturb and Observe Maximum Power Point Tracking for PV System	Aryuanto Soetedjo	Aryuanto Soetedjo

We would like to thank you for your interests on ICESI 2019. Your manuscript will go through an anonymous review process. The review result will be sent to you in days after a quick review process. You can track the status of your paper by logging into the web page (<http://icesi2019.globalconf.org>).

The ICESI provides not only academic platforms, but also opportunities for international exchange and interdisciplinary collaboration.

Should you have any questions or suggestions, please do not hesitate to contact us any time. In addition to welcome reception, regular sessions and luncheon, other events (i.e., keynote speeches) are also under planning and will be announced on the website when ready. Hopefully, you will have a great time at the conference and enjoy your stay at Tokyo, Japan, as well as find this experience inspiring and helpful in your professional field.

Yours sincerely,

Secretariat of ICESI 2019
