The Open Researcher and Contributor Identifier (ORCID) connects research and researchers. ORCID provides a registry of unique identifiers that is open, non-proprietary, transparent, mobile, and community-based. To help the scientific community, we encourage all authors and reviewers to create and link an ORCID identifier to their account. For more information about ORCID, please visit <http://orcid.org/content/about-orcid>.

Thank you again for your contribution to the proceedings of The 4th International Conference on Materials and Metallurgical Engineering and Technology (ICOMMET) 2020.

Sincerely,

AIP Conference Proceedings

For a wider audience and readership, you may start citing this paper in your future publications, also please share your publication on social media with hashtags **#MyRecentPublication** and **#RasayanJChem**, tagging **Rasayan Journal of Chemistry** in your post on Facebook. It'll enhance your readership and citations.

We are happy to share with you that, **RASĀYAN J. Chem. (A SCOPUS, Elsevier Indexed Journal)** is also included in the list of recommended journals released by **UGC** (the highest recognition body for academic affairs in India), which highlights the worldwide acceptance and recognition of the quality and content of the journal. **You are requested to share this important information with your contacts** and suggest the journal to your colleagues to submit their valuable manuscripts for **RASĀYAN J. Chem. (A SCOPUS, Elsevier Indexed Journal)**.

The hard copy (If you paid for that) will be reached to you when published.
